Join us for tea / coffee and conversation around all things NDIS.

Meeting for people with disability and their family/support networks on:

First Friday of every month, 10.30 AM to 12.30 PM
at Goldfields Women's Health Care Centre,
Conference Room, 15 Dugan Street, Kalgoorlie

We look forward to welcoming you for a great morning of community connection!

The Peer-to-Peer Networks WA project helps people living with any form of disability and/or mental health condition, along with their support networks to link to activities that can; build personal connections, assist with access to, and sharing of information, as well as learning from their peers.
